

UKSOL

THE BRITISH SOLAR ENERGY SPECIALIST

COMPANY PROFILE

© UKSOL October 2023

UKSOL IS A BRITISH SOLAR PV MODULE BRAND

Solar module producer based in Gerrards Cross, Buckinghamshire

UKSOL solar modules are sold globally in over 50 countries

UKSOL Ltd is a private British-owned company since 2015.

British-based design, procurement, warranty, technical and customer support.

We produce high quality solar PV panels modules backed by a British warranty and support.

100% Independent British owned and run. Paying UK taxes and WEEE

UKSOL has British management with extensive experience in the solar industry.

OFGEM approved as an ECO 4 innovation measure

WHY BUY FROM GREAT BRITAIN?

- 30 year British warranty
- Low risk British procurement
- British technical support
- Unique British brand
- British quality standards

**30 YEAR
BRITISH
WARRANTY**

British brands are gaining more attention due to political issues with China

UKSOL VALUES TRUST

- To deliver on time
- To give honest advice
- To help when things go wrong
- To honour your orders and money
- To look after you as a customer
- Not take orders behind your back
- To deliver on quality and price
- To honour our warranty promises

Do you trust your current supplier?

UKSOL VERSES THE BIG CHINESE SUPPLIERS

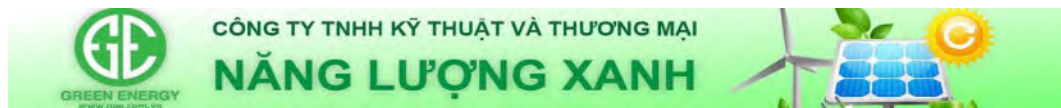

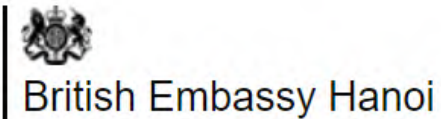

- A two way partnership - free local sales leads, joint business development etc
- Faster shipping – 10mw in 3 weeks production time.
- Comparable prices
- British warranty you can actually claim on
- Modern slavery and ethical sourcing policies
- Access to UK Export Finance and local British embassy support
- We offer local exclusivity – end users can't order UKSOL panels directly

UKSOL IN JAPAN

A screenshot of the UKSOL website homepage. The header features the UKSOL logo and a navigation menu with items: ホーム (Home), UKSOLとは (About UKSOL), 製品案内 (Product Information), 製品保証 (Product Warranty), 性能保証 (Performance Warranty), and お問い合わせ (Contact Us). The main content area has a headline: "UKSOLのソーラーパネルは高品質かつ低価格で優れたコストパフォーマンスをご提供します" (UKSOL solar panels provide high quality, low cost, and excellent performance). Below this are two columns of text and images. The left column features a UK flag and text about UKSOL's origin in the UK and its presence in Japan. The right column features an image of solar panels and text about the company's commitment to quality and performance. At the bottom, there are two large callouts: "12年製品保証" (12-year product warranty) and "30年性能保証" (30-year performance warranty). On the right side of the page, there is a sidebar with the UKSOL logo, the company name in Japanese, and contact information: UKSOL 日本総代理店 株式会社クリーンエナジー, 〒963-8871, 福島県郡山市幸町1-5-10, TEL:024-983-8767. Social media icons for Facebook, Twitter, Google+, and LINE are also present.
